PUBLIC SALE

SHORT

HORNS

TO BE HELD AT FAIR GROUNDS, KNOXVILLE, ILL.
WEDNESDAY, APRIL 21, 1915

ANNOUNCEMENT

It is with pleasure that I invite admirers of good cattle to attend our sale to be held at the Fair Grounds, Knoxville, Ill., April 21, 1915, as I have been assured by two or three of the consigners that they are listing the best lot of young bulls that they have yet produced, and from the material that they have to work with, I am certain that that assertion means much; as few men in the cattle business have used better judgment in selecting herd bulls.

In fact, we have but few better judges or more discriminating buyers in the Short Horn business than Mr. Failon, Mr. Nelson, Mr. Bowers and Messrs. Kreigh & Son. They have been breeding and handling Short Horns for a good many years in a practical, business-like way that assures the buyer the full worth of his money.

I have spent over forty years of my life among the Short Horns and I have viewed the business from many different angles during that time, and I know that the men that have handled their cattle in a natural and practical manner have made money at the business, and there never was a more propitious time than the present to engage in the breeding of good cattle; as every intelligent feeder and farmer realizes, as never before, that good breeding is the most essential thing in cattle feeding.

Were it not for the temporary restrictions on shipping we would have about the strongest demand for good cattle that any of us have ever experienced. I believe this particular time is the greatest opportunity ever presented to Illinois bull buyers, as the demand will undoubtedly be limited and we are offering you a lot of good bulls to select from.

The cows and heifers are a useful, well-bred lot.

Hoping to meet you at our sale, I am

Yours respectfully,

A. J. RYDEN, Manager

Dale's Delight is one of the good sons of Avondale. He is a State Fair and International winner, and has proven a good sire, and is sold for no fault.

Avondale 24144—a roan of January 5, 1905; bred by E. S. Kelly, Yellow Springs, Ohio, got by Imp. White Hall Sultan 163573, out of Imp. Avalanche 2d. Has won more coveted ribbons and sired more pure winners than any other bull to our knowledge. Although he has met many defeats, he has won more each year since a calf than any of his opponents. His get have been very much in evidence in the show ring the past few years. He sired Selection, the International Grand Champion of 1909, and Dales Gift, International Junior Champion, 1909, also the Alaska-Yukon Pacific Exposition Junior Champion of 1909, and won the Get of Sire prize at Chicago, 1909, and sired the undefeated calf herd of 1908. Bulls and heifers sired by him won far more than calves by any other sire at the 1908 and 1909 International Shows.

Majestic 320264—white, calved January 28, 1907; bred by A. W. Kitteridge, got by Fair Sultan 242571, out of Imp. May Archer, a roan, bred by George Bruce, Heatherwick, Scotland, and imported in dam by Milton E. Jones & Co., got by Goldie's Pride 163169, out of Imp. May Blossom by Prince of Archers 141547.

Imp. Prince Favorite 192646—red, bred by W. S. Marr, got by Bampton Favorite out of Princess Royal 65th by Wanderer; second dam Princess Royal 29th by Athabasca; third dam Princess Royal 17th by Heir of Englishman. A bull of exceedingly good lines, very smooth in his flesh and conformation.

Silver Plate 145554—bred by James Bruce, Inverquhomery, got by Waverly out of Rosewood 75th by Wellington; Rosewood 51st by Cap-a-pie; Rosewood 20th by Jumbo. Silver Plate was the highest priced of Mr. Bruce's bull calves. His grand dam made the highest price at Inverquhomery dispersion sale.

Roan Robin (57992)—a richly bred Brawith Bud bull bred at Sittyton and used freely by Mr. Duthrie, was got by Cumberland (46144), out of Glowworm by Roan Gauntlet (35284), granddam Garnish by Royal Duke of Gloster (29864). It is unnecessary to make any comments upon this pedigree, as the Brawith Buds were one of Mr. Cruickshank's favorite families, and the sires were some of the best ever used.

Villager 295884—Roan, calved March 1, 1906. Bred by C. H. Jolliffe, Darlington; got by Village Beau 295883; out of Rosy Cloud (v. 50 p. 678 E.)

Superbus 224710—Bred by Ardmore Stock Co., is one of the stock bulls now in use at Meadow Lawn, and is considered by many good judges to be one of the great bulls of the breed, both as a show bull and as a producer. He is very low set, with well laid shoulders, well sprung ribs, with almost faultless quarters, extra well filled and straight hind flank with true top and bottom lines; is a big, heavily fleshed red, with splendid style, carriage and finish; his breeding, as his pedigree shows, is of the very best.

Duke of Oakland 2d 118945—Cruickshank's Orange Blossom tribe, is a bull of wonderful symmetry of conformation, heavy fleshed, evenly distributed; a bull of great style and finish, for years at the head of F. A. Edwards' Bluff View herd, where he proved to be an exceptionally strong breeding bull. Good judges have pronounced him one of the best bulls of his day. Got by Prince President 2d 116890; dam Orange Blossom of Oakland 4th by Imp. King of Aberdeen 75747. A bull of great individuality, his calves stamp him as a most impressive sire.

Watchfire (71826) won first at Highland Society's show, Glasgow, Highland Show at Dumfries 1895, first and championship at the Highland 1897. He was got by the Wimple bull, Watchword (winner of first prize at the Perth 1896).

The Cruickshank Duchess of Gloster Family is perhaps one of the best known families among the Cruickshank Short Horns throughout Canada and the United States. Duchess of Gloster 12th in above pedigree was imported in 1871, and she has been the foundation of a great number of Short Horns that for milking and feed qualities can scarcely be equalled in any country. Perhaps no Scotch family has been more prolific, and it is safe to say that none has done more good to the breed and their owners.

White Hall Count 209775 was a good show bull and one of the best sons of White Hall Sultan. He was out of an Imp. Cruickshank Crocus dam of excellent breeding and merit.

Cruickshank's Victorias. Sander's History says: "The first of this Mason-bred tribe to enter the Cruickshank herd was Victoria 19th by Lord John (11731). The first produce from her were a pair of twins, Victoria 29th and 30th. The latter left no female stock. The Sittyton Victorias imported to America have proved among the most valuable Scotch-bred Short Horns that ever crossed the Atlantic, among which was the noted Baron Victor (45944), that did such excellent service in the herd of Col. Harris."

The Missie Family, on account of having produced more high-classed Short Horns during the past twenty years than any other, is conceded by many to be the most valuable family in existence. The family was practicably built up by the Messrs. Marr, senior and junior, they having purchased the cow, Countess by Pacha (7612), from Capt. Barclay about the year 1850. Eighteen members of the family, old and young, sold at the dispersion of the Uppermill herd for an average of \$830 each.

This is conceded to be one of the richest pedigrees in the herd books and this is a good representative; she was a winner at a number of the shows and will be a valuable addition to any herd.

The sires of this pedigree are too well known to need any comment from Avondale 245144 to Abbott 2899 each of the bulls was the most popular of his time and headed the best herds in existence.

Bred to Maxwalton's Conqueror Nov. 20th, 1914.
